To Whom it may concern,

Please accept this letter as confirmation that Ms Haniyeh Sharafkhaneh is currently receiving emotional and practical support from Victim Support Dorset. Ms Sharafkhaneh came to us as a victim of assault and domestic abuse by her husband. She disclosed she came to UK from Iran on a marriage visa to join her husband but she was subjected to controlling and coercive behaviour, physical and emotional abuse throughout their relationship. Ms Sharafkhaneh and her husband separated last year; however she still fears for her safety as the husband is believed to live locally.

As a result, Ms Sharafkhaneh disclosed she has been experiencing a significant level of distress and anxiety, depression and sleep deprivation.

Victim Support have provided Ms Sharafkhaneh with emotional and practical support, safety planning and personal alarm.

With Ms Sharafkhaneh's consent, I would be happy to provide more details regarding the support my client is in receipt of.

Should you have any additional questions, please do not hesitate to contact me.

Yours sincerely,
